Dear Sir:

Applicants respectfully submit that a \$300 Publication Fee and a \$720 Issue Fee (small entity) for the above referenced application were paid to the US Patent Office on December 3, 2007. Following that action on January 29, 2008, Applicants were granted a Petition to Withdraw from Issue. Having received a new Notice of Allowance for this application, with a mail date of July 3, 2008, Applicants request that the \$720 Issue Fee paid on December 3, 2007 be applied towards the \$1440 Issue Fee (large entity) required by the new Notice, reducing the total Issue Fee due at this time to \$720.

Should the Director believe any additional fees are due, the Director is hereby authorized to charge any fees which may be required, or credit any overpayment, to the Molecular Imprints, Inc. deposit account number 502650.

Respectfully submitted,
